Co-creation during COVID

Whoami?

Marc Vos
Director Operations
Kabisa

Whoami?

Pascal Widdershoven
Technology & Innovation Manager
Kabisa

We are Kabisa

Software specialist in **hightech**, **logistics** & **complex E-commerce**

Co-creation

Closely working together with customers, to ensure they get what they need
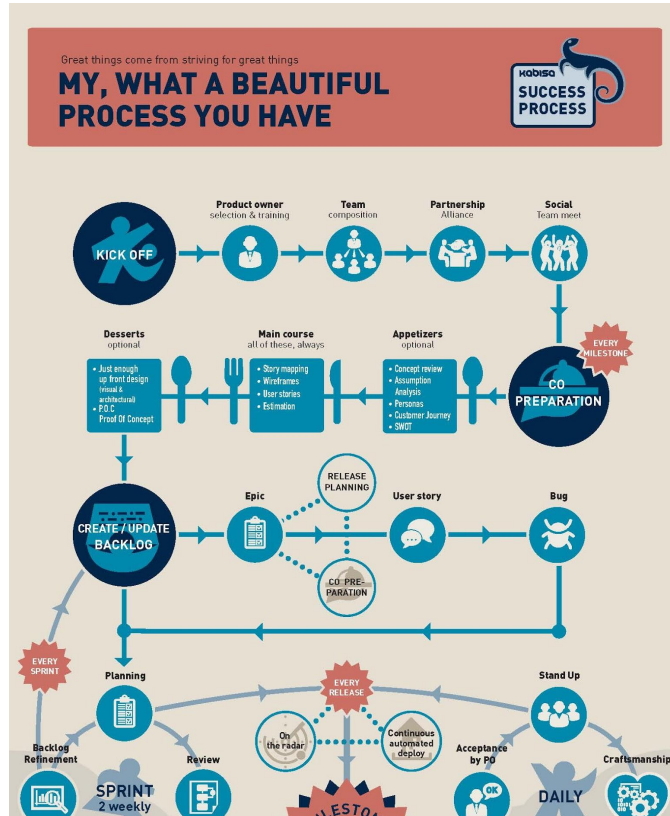

# Co-creation

We create software for our customer's customers

Co-preparations

Kabisa Success Process

Online Co-preparations

Online System Architecting

(Social?) networking

More difficult, or easier?

Digital socializing

Breakfast sessions

Game nights

L&L

Remote Pair Programming

- VSCode Live-share (collaboration built-in editor)
- Gitduck (collaboration built-in editor + video)
- Slack screenshare (just screenshare, no control)
- Tuple (screenshare, with shared control)
- Screen.so (screenshare, with shared control)

Document Reviews

- Google Docs
- Office 365

Work well for

- Collaboratively writing documents, architecture designs
- Requesting asynchronous feedback

Break-out topics

Remote team building activities

Networking (new contacts)

Remote (architecture) brainstorms
